

BEGIN WITH LOVE

Ten Tips on Baby's First 3 Months

1 Begin with love

2 Help baby thrive with loving attention

3 Tend to diapering, feeding and bathing

4 Look into baby's eyes and smile

5 Take care of yourself too

6 Keep baby safe, warm and secure

7 Dads are so important

8 Snuggle with your baby all the time

9 Talk, sing, read and play with baby

10 Develop daily routines
