

# BEGIN WITH LOVE

## Ten Tips on Baby's First 3 Months

**1** Begin with love

**2** Help baby thrive with loving attention

**3** Tend to diapering, feeding and bathing

**4** Look into baby's eyes and smile

**5** Take care of yourself too

**6** Keep baby safe, warm and secure

**7** Dads are so important

**8** Snuggle with your baby all the time

**9** Talk, sing, read and play with baby

**10** Develop daily routines
